Vandalism. Damage caused by incorrect assembly, installation, application (use), or negligence. Natural or manmade disasters. Cosmetic changes due to weathering - including paint fading, discoloration of wood, or color fading or spotting of coated steel and recycled plastic products caused by exposure to natural elements or chemicals. Scratches, dents, or marring caused by normal use and public exposure. Seasons checks, twisting, or splintering of wood caused by climatic differences or lack of proper maintenance. Loss or damage in transit while product is responsibility of carrier. High heat paint subject to overly built fires. Steel warpage caused by fires of excessive size or duration Premature rust-through of grill boxes due to improper cleaning or maintenance, and fire rings buried in the ground. Premature rusting or discoloring caused by corrosive environment or while in ocean transit. Damage caused by animals or wildlife.
ONE YEAR	Powder Coat, Enamel, & High Heat Paints; Lumber; Trash & Recycling Lids & Liners; Plaques; Decals; Resin Fill; Umbrellas; Pet Waste Stations; FSW Swivel Grate	No Warranty on Lumber shipped outside the United States. Water Repellant recommended on Lumber.		
FIVE YEARS	Thermo-Plastic Coating	Limited and Prorated Warranty on coating material against defects when subjected to normal use and proper maintenance.		
	Picnic Table Frames (those not included in Lifetime Warranty), Park Bench Frames, Steel and Aluminum Bench and Table seat/top Structures, Recycled Plastic Components, Bike Racks, TRH and TRQ Frames, Steel Trash Receptacle and Planter Structures, Pedestal Mounts, Tissue Holders, all Grills, Hot Coal Bin, Utility Tables, Campfire Rings, Lantern Holders, Food Lockers, Kolor Cans.	Recycled Plastic warranty applies only to components that have been cut, drilled, or routed by the manufacturer. This warranty does NOT cover plastic purchased in raw stock form by customer and cut, drilled, or routed by customer for custom application. Recycled Plastic and Thermo-Plastic coated components include a UV stabilizer to retard effects of natural exposure. We cannot warrant "fading" or surface "contamination" due to extreme variations in levels of exposure and in the definition of "fading".		
FIFTY YEARS	Recycled Plastic	Material decomposition only.		
Warranty claims must be filed within the warranty period and must include a copy of the invoice or the purchase order.				
Except as specifically stated herein, all warranties (expressed or implied) are hereby excluded. This Warranty excludes any liability, consequential damages, or related costs.				

California Customers
Please be advised . .

This notice is pursuant to California Health and Safety Code section 25249.5 et seq. ("Prop 65") and one of its enabling regulations at 27 CCR § 25600.2(b) (effective 30 August 2018). California law requires any company to declare if their products contain certain substances, as so listed on https://oehha.ca.gov/proposition-65/proposition-65-list and those products are sold in California.

PRODUCTS USING STEEL WARNING:
Some metal items may contain components or synthetics known to the State of California to cause cancer, birth defects or reproductive harm. These elements include but are not limited to Chromium, Cobalt, Lead and Nickel.

PRODUCTS USING LUMBER WARNING: *(Benches, Picnic Tables, Trash Receptacles)*
Drilling, sawing, sanding or machining wood products can expose you to wood dust, a substance known to the state of California to cause cancer. Avoid inhaling wood dust or use a dust mask or other safeguards for personal protection.

GRILL & CAMPFIRE RING WARNING:
This product can expose you to Carbon Monoxide, which is a combustion by-product known to the State of California to cause birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov. Carbon monoxide can replace oxygen in the bloodstream. Reduced levels of oxygen during pregnancy can affect development of the baby's brain. Carbon monoxide is a colorless, odorless and poisonous gas that is formed during the combustion of various fuels in park grills and campfire rings – including propane, wood and charcoal. The exposure is not from the grill or the campfire ring, but from the fuel used. Exposure occurs by breathing air that contains carbon monoxide.

To reduce exposure to carbon monoxide: Ensure that grills and campfire rings are installed correctly outdoors and maintained properly. Never use charcoal or propane grills or barbecues, or campfire rings indoors.

For any questions concerning Proposition 65 refer to:
